BAFTA

InterTalent hosted their second BAFTA Breakfast networking event this Spring, celebrating their Unscripted clients.

Welcoming 400 business contacts and clients to the prestigious BAFTA Headquarters in Piccadilly, the event proved a great success, as InterTalent's Unscripted clients met with leading contacts in the television, podcasting, radio, brand, event and publishing industries.

The event was marked with speeches by InterTalent's Chairman and Founder, Professor Jonathan Shalit OBE, and Managing Director Alex Segal. Both Shalit and Segal celebrated the company's successes over the past year across all departments: Scripted, Unscripted, Digital and Gaming, as well as that of their sister company, Chosen Music. They also celebrated the arrival of the newest company division: Comedy.

Following in the footsteps of InterTalent's prestigious annual networking events, the Breakfast proved the company's commitment to their mission statement: transforming careers for exceptional talent.

AWARDS
